**RE:** Update of Maryland's Medical Assistance Dental Procedure Codes and Fee Schedule

---

The Maryland Medical Assistance Program has amended COMAR 10.09.05 Dental Services. The amendment replaces the Current Dental Terminology (CDT 5) with the latest update, CDT 2007 – 2008, from the American Dental Association (ADA). This amendment became final August 27, 2007. Oral health care providers and Managed Care Organizations (MCOs) must report CDT 2007 – 2008 procedure codes when billing for services rendered on or after July 1, 2007 to Medical Assistance recipients younger than age 21.

A copy of the Maryland Medicaid Dental Fee Schedule, incorporating the updated procedure codes from CDT 2007 – 2008, can be accessed at <http://www.dhmh.state.md.us/mma/providerinfo> and click on Dental Fee Schedule and Procedure Codes.
